Headline:
Dry and warm through much of this period, cooler Thursday.

Today:
A rather cloudy start but the cloud will thin and break during the morning, followed by long sunny periods developing in the afternoon. Becoming warm inland but staying much cooler along the south coast under the onshore breeze. Maximum temperature 18 deg C (64 deg F).

Tonight:
A fine and dry evening and night with light winds and prolonged clear spells, leading to a chilly end to the night with isolated fog patches. Minimum temperature 2 deg C (36 deg F).

Tuesday:
A fine and dry day on Tuesday, with light winds and long periods of uninterrupted sushine. Feeling warm in the afternoon, though cooler along south coast due to onshore winds. Maximum temperature 23 deg C (73 deg F).

Outlook for Wednesday to Friday:
Dry, sunny and warm Wednesday. Band of cloud moving south on Thursday, then sunny but cooler and breezy. Dry but rather cloudy on Friday, some lighter winds.
